

Did You Know?

Established in 1903, Amelia Island is home to Florida's oldest operating bar: The Palace Saloon. It survived prohibition by serving ice-cream and Coca-Cola!

The island was named for Princess Amelia, daughter of George II of Great Britain.

Cumberland Island, accross the river from Amelia, once held the summer home of the Carnegie family. Now, it's a national park home to over 150 feral horses!

Where to Go

Amelia Island is filled with fantastic places that hold adventures for the whole family. Every outdoors-man can find a place to explore from Fort Clinch State Park, to fishing in the Atlantic, to kayaking in St. Mary's River. Better yet, just spend the day on the beach! If golf is your game, Amelia offers over 99 holes for players of every skill. (And put-put too!) After T-time, you can take the kids to get ice-cream in beautiful, historic downtown by the marina. If that wasn't enough, we're just 45 minutes from Jacksonville, Florida.

At night, you can dine at one of the many restaurants next to the marina or at The Plantation, where all of the shrimp is sourced from local fishermen. Finish your night with a cocktail at the old Palace Saloon or Hammer Heads. Wherever you go, you'll find amazing people. So, come join us. Here, you can't go wrong!
